

Directions from A6 Leicester

The A6 from Leicester will bring you right into the centre of Loughborough.

Continue past McDonalds and Next on your right and the market place on your left. After a set of traffic lights / pedestrian crossing turn left into Derby Square (There is an Indian restaurant on the corner). At the next set of traffic lights turn left again onto Frederick Street and then the second right onto Heathcoat Street which is a one way street with a large red brick church on the corner. We are about half way down on the left hand side.
