

Directions from M1 Junction 23

From M1 junction 23 take the A512 Ashby road towards Loughborough. This turns into a dual carriageway and passes over an island before becoming single carriage again.

You will come to another island, go straight over and follow Ashby Road in to town until you see Sainsburys on your left and some traffic lights ahead. Get in the right hand lane as you approach the traffic lights and turn right onto Frederick Street.

Take the second right onto Heathcoat Street which is a one way street with a large red brick church on the corner. We are about half way down on the left hand side.
